HIXNY-WIDE DENIAL OF ACCESS FORM

Authorization to Deny Access to Electronic Health Information
through a Health Information Exchange Organization

Patient Name	Date of Birth
Patient Address	
Patient Email Address*	
Patient Phone Number*	

* In the event we need to contact you to confirm any of the information provided on this form, providing an email address and/or phone number will expedite our ability to complete the request.

In completing this form, I request that electronic health information regarding my care and treatment NOT be accessed by **ANY** health care providers and health plans through Hixny, even in the event of an emergency. I understand that federal, state and local public health agencies, and certain organ procurement organizations, may still access my information in certain circumstances in accordance with applicable laws and regulations. I understand that the implementation of this denial is contingent upon me providing accurate demographic information that aligns with the demographic information I have provided to Hixny Participants. **I also understand that any consent I grant to Hixny Participants to access my electronic health information that postdates this request WILL supersede this denial and be honored by Hixny**.

The choice I make in this form will NOT affect my ability to get medical care or health insurance coverage.

☐ **I DENY CONSENT** for ALL health care providers and health plans participating in the Healthcare Information Xchange of New York, Inc. (Hixny) to access my electronic health information through Hixny, even in a medical emergency.

My questions about this form have been answered and I have been provided a copy of this form. I understand that I must complete and mail this notarized form to Hixny 80 Wolf Road, Suite 500, Albany, NY 12205 and that my denial of access will become effective after this form is received by Hixny and recorded in its health information exchange system. I also understand that additional information can be found at https://hixny.org/hixny-for-patients/.
